

00:33 *Awake, the light is everywhere*
01:01 *Stretch your wings*
01:12 *Through the span of time*
01:40 *Everything is ok*
02:05 *Slowly fading*
02:58 *Rain on the petals of dawn*
03:17 *Release*
03:31 *An overview of the underworld*
04:00 *Into graceful flight*
04:24 *Only now*
04:47 *Sunrise is aglow, the sound is alive
with morning*
05:47 *A brief run in with life*
05:58 *Disoriented in this world of
illusion*
07:16 *Lost in silence*
07:19 *Left in-between*
07:45 *Skating on thin ice*
08:10 *Dancing on*
08:20 *Into the machine*
08:59 *Deep inside, lost and becoming,
soon into a world foreign*

09:17 *The thrust of*
09:39 *The wind of*
10:01 *The fall of*
11:07 *Rise into the sun, as the clear blue
glides onward and upward over the
valleys of life in movement*
11:25 *Intermittence*
12:38 *Dive into the ocean of light and sound*
13:00 *Oceans*
13:24
13:36 *Above*
13:50 *Dry your wings, stretch in the sun*
14:25 *On your skin*
14:37 *It's happening again*
14:46 *Spinning ever faster, upwards toward
the sun, in fading flashes of memory*
14:59 *Lost in sleep*
15:12 *Everything*
15:36 *Light*
16:37 *Consciousness left behind*
17:38 *The beginning of time*
18:12 *Disintegration*
18:52 *End*
