TOCADA POR LA ORQUESTA HUMILDE

PLAYED BY THE HUMBLE BAND

\* drōne, n [ME. *drone, drane*; AS. *dran, dra n*, a drone; prob. imitative of sound.]

1. a male bee, especially a male honey bee, but larger than the working bee. The drones have no sting and do no work: after one fertilizes the egg of the queen bee, it is killed and the rest are driven from the hive.
2. an idler; a sluggard; one who does no work but lives by the work of others.
3. a pilotless airplane whose flight is radio controlled by an operator in an accompanying craft or on the ground.

DRONE BEE

drōne, *v.i* ; droned. *pt., pp* ; droning, *ppr.* to live in idleness; loaf.

drōne, *n.* 1. a continuous and monotonous humming or buzzing sound.

2. a bagpipe.
3. its bass pipe.
4. a bass voice or part, sustaining a single low tone.
5. such a tone.

drōne, *v.t.* to utter in a dull, monotonous tone.

drōne, *v. i.* ; droned, *pl., pp*; droning, *ppr.* 1. to talk in a monotonous voice

2. to make a continuous and monotonous humming or buzzing sound; as, the bagpipes *drone* and the drums beat

**\*\* imported from Athens, Greece.**
